

## SAVE YOUR SUBSCRIPTION!

## READ THIS FOR IMPORTANT INFO!

Believe it or not, we send out over 12,000 copies of each issue of Anime-Gossip!

In order to make sure that Gossip gets to the right people, we have to prune the subscription list from time to time, and the powers that be (aka the poor people at the office who have to use a forklift to get Gossip to the post-office) have declared that NOW is the time.

In order to maintain your subscription to Gossip, all you have to do is send back the order form with your name and address information filled out. **You don't need to purchase anything**, just fill out the data, stick on a stamp and pop it in the mail.

## NEW LICENSES!

We're proud to announce that we have just signed a license with Toho for two theatrical films: "Rupan III: The Fuma Conspiracy" and "Rupan III: The Gold of Babylon." In addition to the home video rights, we also have Theatrical and TV rights to these films, and we are investigating the possibility of a Spring '95 theatrical release!

At press time, we were about to sign two additional licenses. We will probably be making announcements of those at the Summer Anime Conventions.

## BUDGET ANIME

We are continuing with price reductions on many of our older titles, as well as special package deals. Check out the order form for all the details!

## BEAN RULES!

Our first dub, Riding Bean, has quickly become our hottest tape, and is on it's way to becoming our all-time best seller. Many thanks to all of you who took the time to make suggestions.

## "DUB"BLE BUBBLE

The dubbed version of Bubblegum Crisis hits the street in early October. Every other month, we will be releasing 2 episodes at a mere \$19.95 each.

The dubbed version will include new packaging with a new spine-scene. Catch a sneak-preview of BGC1 in English at the Summer Conventions.

## OMG! MARATHON

Also showing at Anime America will be all 5 episodes of Oh My Goddess! Don't miss it!

## UYTV LD10 SET!

We've decided to extend the UY LD10 set offer until September 1st. If we receive 500 or more orders, the price will be a mere \$300 per set. If we receive less than 500 orders, we will figure out how much we need to charge based on the lower number of orders, and poll everyone to determine if we can get enough orders at the higher price to make it worth doing the set.

If you have procrastinated please call us with your order and credit card number as soon as possible. Or talk to us at Anime America or Anime Expo. To those who have ordered, fret not, we will keep you updated.

## NEW GOODIES

New in the character goods department this issue: Bubblegum Crisis 25mm Metal Figures (all 4 Knight Sabers) and our sexiest T-Shirt ever, "Nene Reflects." See the enclosed catalog for

details! We've also got lots more CDs for sale, including the Mikimoto CD-ROM. At the conventions, you'll be able to get a sneak-peak at the Bubblegum Crisis Music Video Quick-time CD ROM Screensaver, containing the whole of Hurricane Live 2032!

## LIMITED EDITION CEL

We'll be displaying the master copy of the "Sunday in the Park with Lum" cel at the conventions. Don't miss it -- it's AWESOME!

## ANIMEIGO'S WHEEL OF JEOPARDY!

Coming to Anime America is the one, the only, the incredibly nit-picky "Wheel of Jeopardy," our game-show romp through the annals of Otakudom. Join AnimeEigo's Robert Woodhead in this fast-paced, somewhat sadistic romp through Anime Trivia.

Everyone who attends has a chance to become a contestant, and the questions and format have been cunningly designed to ruthlessly discriminate against those people (who will remain nameless, but you know who we mean) that always seem to win these things. So check it out, and who knows -- you might walk away with a chunk of the over \$1000 in prizes we'll be giving away!

## UPCOMING RELEASES

You know the drill by now - all the details are on the order form, revised yet again to make it easier to use!

## ANIME QUESTIONS ???

We have put in more phone lines and an answering service (outside of normal business hours 8-5 Eastern Time Mon-Fri) to facilitate **order taking**. If you have an enquiry of a general "anime" nature, not related to your order or **our** releases we request that you write or E Mail us for a considered reply. Thanks.

## How to fill out this order form:

On the other side of the form is a complete list of all of our products. Each of our titles is on one or more lines; if a title contains more than one product (example: Bubblegum Crisis is released on 8 tapes) there will be an appropriate number of numbered boxes to the right of the title's name; otherwise there will be a single unnumbered "Tot Qty" (Total Quantity) box.

◆ Check marks indicate new products and price changes. If a box is elongated and contains a date, that is the date of release of the product. Lines drawn through an item indicates temporarily out of stock.

Enter the quantity of each product you want in the appropriate box. If you are ordering by CREDIT CARD, that is all you need to do - we will do all the arithmetic. Otherwise, fill out the form as follows: fill in all the Tot Qty boxes (ie: if you ordered 1 of Bubblegum Crisis 3 and 2 of Bubblegum Crisis 5, you would put 3 in the Bubblegum Crisis Tot Qty box), then multiply each Tot Qty by the price and fill in the Total Cost boxes on the far right. At the bottom of each section (Tapes, LDs, CDs, Character Goods), total the number of items ordered and the total cost. **IMPORTANT:** totalling the number of items is complicated by two things: first, SETS contain multiple items, and second, if the destination of the order is in the USA or Canada, the total number of items for each section is the number of actual items (Tapes, LDs, etc) you have to pay S&H on. So, for example, if you ordered a MADOX-01 tape and a BGC tape set, and you lived in Canada, the total quantity of tapes would be only 1 (plus a one time \$5.00 charge as your order includes a set) If your order contains more sets, its still only the one time charge of \$5.00, but if the same order was being shipped to Australia, the total quantity would be 9, because there are 8 tapes in the BGC set.

Finally, transfer these totals to the worksheet on this side of this form that will assist you in calculating Shipping & Handling and Sales Taxes.

On this side of the form, tell us how you want to pay and where you want it shipped, and use the Shipping and Handling Worksheet to determine to total charges.

**Payment:** We accept checks, money orders, credit card (VISA/MC) or cash COD. **DO NOT SEND CASH** - We will not be responsible for money lost or stolen in the mail. Orders paid for by check will not be shipped until the check clears. **Payment must be in US Dollars.**

**Shipment:** Shipment to USA or CANADA is by US Mail or UPS Ground. All other places by International Airmail. COD only available to USA addresses.

If you have any comments or suggestions, or have any special requests related to this order, please put them on a separate sheet of paper and attach to this form.
